DOMINION ORDERS IN COUNCIL.

P.C. No. 1651.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 10TH SEPTEMBER, 1928.

THE Committee of the Privy Council have had before them a report, dated 31st August, 1928, from the Minister of the Interior, submitting that by Order in Council of the 18th June, 1925, the Abernethy-Lougheed Logging Company, Limited, which is conducting extensive operations in the vicinity of Stave Lake, in the Railway Belt, in the Province of British Columbia, was granted permission to export certain cedar timber for a period of six months; that owing to a congested state of the cedar market several extensions of time have been granted by Orders in Council to the aforementioned Company to continue exporting, the last extension having been authorized by Order in Council dated the 9th January, 1928, for a period of six months from the 22nd *idem*, and whereby the timber exported was subject to the payment of dues at \$2.50 per thousand feet B.M. on logs grading No. 1, \$2 per thousand feet B.M. on logs grading No. 2, and \$1.50 per thousand feet B.M. on logs grading No. 3, which dues are in excess of those charged under the regulations governing the disposal of timber cut from licence berths on Dominion lands and at the same time are higher than the rates charged under the Order in Council of the 18th June, 1925, aforementioned.

The records of the Department indicate that the logs exported during the past six months were all made up of Grades 2 and 3; that the said logs, the greater portion of which were exported to Japan, were advertised previously for a period of ten days; that all mills in the district manufacturing this species of timber were notified and given an opportunity of purchasing the logs at prevailing market prices, but no offers were received.

It has been represented that this export privilege is working out to the satisfaction of the local timber merchants owing to the fact that it takes from the booms a great quantity of low-grade cedar for which there is at the present time no market in British Columbia, and that at the same time it makes possible the logging of a good deal of timber that would otherwise be unmerchantable.

The Minister, therefore, believing it to be in the public interest, and after taking into careful consideration the report of an officer of the Department well versed in actual existing local conditions, recommends that a further extension of six months from the 22nd July, 1928, be granted the Company to export cedar logs, but subject to an increased rate of dues—namely, \$3 per thousand feet B.M. on logs grading No. 1, \$2.50 per thousand feet B.M. on logs grading No. 2; and \$2 per thousand feet B.M. on logs grading No. 3; the operations to be subject to such conditions as he may determine, and the mills in the district to be first given an opportunity of acquiring any portion of the cut that may be required for manufacturing locally.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

P.C. No. 1652.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 10th day of September, 1928.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-
GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior reports that an application has been received from the Shuswap and Okanagan Railway Company for letters patent covering lands required for an extension to their right-of-way in the South-west Quarter of Section 23, Township 21, Range 8, west of the 6th meridian, in the Larch Hills Forest Reserve, in the Province of British Columbia, which may be more particularly described as follows:—

Being in the Twenty-first Township, in the Eighth Range, west of the sixth meridian, in the Province of British Columbia, and composed of all that portion of the South-west Quarter of Section Twenty-three of the said township which lies between two lines, both of which are parallel to and on the north-western side of the centre line of the right-of-way of the Shuswap and Okanagan Railway, one parallel line being fifty feet perpendicularly distant north-westerly from the said centre line and the other parallel line being one hundred feet perpendicularly distant north-westerly from the said centre line, as the said centre line is shown upon a plan of survey across the land and lands adjoining the same, approved and confirmed at Ottawa on the 1st day of March, A.D. 1926, by Frederic Hatheway Peters, Surveyor-General of Dominion Lands, and of record in the Department of the Interior under Number 34382, and which is a true copy of part of the original plan deposited in the Land Registry Office in the City of Kamloops under Number A 402, the said portion extending from the east boundary of the said quarter-section to a line drawn at right angles to the said centre line through a point in the same distant nine hundred and thirty-six feet measured north-easterly along the said centre line from the south boundary

of the said quarter-section, and containing by admeasurement one and fifty-hundredths acres, more or less, the said land being required for the right-of-way of the said railway:

Therefore, His Excellency the Governor-General in Council, on recommendation of the Minister of the Interior and in accordance with the provisions of section 18, chapter 78, R.S.C. 1927, the "Dominion Forest Reserves and Parks Act," is pleased to authorize and doth hereby authorize the issue of letters patent to the Shuswap and Okanagan Railway Company accordingly.

P.C. No. 1401.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A
MEETING OF THE PRIVY COUNCIL, APPROVED
BY HIS EXCELLENCY THE GOVERNOR-GENERAL,
ON THE 16TH AUGUST, 1928.

THE Committee of the Privy Council have had before them a report, dated July 4th, 1928, from the Right Honourable the Prime Minister for the Minister of the Interior, submitting that Lots 11183, 11184, and 11185 in Group 1, Kootenay District, British Columbia, lie adjacent to the Banff-Windermere Highway in Kootenay Park. These lots are privately owned and it is important from an administrative standpoint that the Crown should acquire them.

The property is registered in the name of V. S. C. Kimpton and was acquired by purchase and Crown grant. The owner is willing to sell the same for the actual amount he paid for it, including the cost of surveys. The total amount as verified by officers of the Department is \$3,450, and it is considered the Department is justified in paying this sum, which does not include any carrying charges or taxes on the property since it was originally acquired by the present owner.

The Prime Minister, therefore, recommends that authority be granted for the purchase of the above-mentioned lots and that the sum of \$3,450 be paid therefor to the owner.

The Committee concur in the foregoing recommendation and submit the same for approval.

(Signed) G. G. KEZAR,
Assistant Clerk of the Privy Council.

To the Honourable
The Minister of the Interior. 5361-sc13

P.C. No. 1525.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF
A MEETING OF THE COMMITTEE OF THE PRIVY
COUNCIL, APPROVED BY HIS EXCELLENCY THE
GOVERNOR-GENERAL, ON THE 30TH AUGUST,
1928.

THE Committee of the Privy Council have had before them a report, dated 26th July, 1928, from the Hon. Ernest Lapointe, for the Minister of the Interior, submitting that by an Order in Council dated the 10th of December, 1907 (P.C. 2537), regulations were established for the issue of leases for the mining of coal on lands within the Rocky Mountains Park of Canada, in the Province of Alberta, and provision was made therein that the term of the lease shall be twenty years, renewable, in the discretion of the Governor-General in Council, for further periods of twenty years each, and not exceeding, in all, sixty years, on such terms and conditions as may at the time of renewal be agreed upon by the Government and the lessee.

Coal-mining Leases Nos. 45, 46, 47, 48, 49, 50, 51, 52, and 53 were issued under the provisions of the above regulations, and these leases have been assigned to the Rocky Mountain Collieries, Limited. The term of these several leases has now expired, and the lessee has submitted an application for a renewal thereof, as provided for in the above-mentioned Order in Council.

The Minister recommends, as the provisions of the regulations have been complied with, that renewal leases be issued in accordance with the terms and conditions contained in the general regulations for the disposal of coal-mining rights, the property of the Crown in the Western Provinces and Territories, now in force, approved by Order in Council dated the 20th of April, 1910 (P.C. 729), and amended by subsequent Orders in Council, and that the renewal leases be issued on the form of coal-mining lease prepared by the Department of Justice under the provisions of these regulations.

The Committee concur in the foregoing recommendation and submit the same for approval.

Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay

double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with copies of the notices published.* Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, or if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the paid fees shall be returned.

77. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 76, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10¼ inches by 7½ inches. There shall be a marginal number every fifth line of each paper; the numbering of the lines is not to be run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee or Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By Rule 83, a model form of Railway Bill is adopted. A copy of same can be obtained upon application to the Clerk.

All Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

In the case of Bills to Incorporate Companies, in addition to the fee of \$300 mentioned in Rule 72, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

MUNICIPAL BY-LAWS.

CORPORATION OF DELTA.

BY-LAW No. 116.

A By-law to provide for draining Parts of the Municipality of Delta, and for borrowing on the Credit of the Municipality the Sum of \$8,557.69 for completing same.

Provisionally adopted the 15th day of September, 1928.

WHEREAS a majority in number and value of the electors as shown by the last revised assessment roll, of the property hereinafter set forth to be benefited by the drainage of the said property have petitioned the Council of said Municipality of Delta, praying that an additional pump should be installed at the pump-house in East Delta, and that a pump which is now installed at District Lot 151, in said Municipality of Delta, be installed over the concrete flood-box in East Delta to assist in the drainage of that portion of the municipality:

And whereas thereupon the said Council procured an examination to be made by D. J. McGugan, a British Columbia land surveyor, being a person competent for such purpose, of the said locality proposed to be drained, and has also procured plans and estimates of the work to be made by the said D. J. McGugan, and an assessment to be made by him of the lands and roads to be benefited by such drainage, stating as nearly as he can the proportion of benefit which in his opinion will be derived in consequence of such drainage by every lot or portion of lot, the said assessment so made being the assessment hereinafter by this by-law enacted to be assessed and levied upon the lots and parts of lots hereinafter in that behalf specially set forth and described, and the report of the said D. J. McGugan in respect thereof and of the said drainage being as follows:—

August 30th, 1928.

*The Reeve and Councillors of the
Municipality of Delta,
Ladner, B.C.*

DEAR SIRS.—In accordance with your instructions, we beg to say that we have personal knowledge of the drainage requirements in that area which drains through the large flood-box in the big slough and have made an examination thereof.

We find that the drainage in this area is not as good as it should be and we would recommend that an additional pump should be installed at the pump-house. We would suggest that the pump, which is now installed at Mr. Mitchell's, in District Lot 151, be installed to assist the drainage in East Delta. We are confident that the benefits that will be derived from this extra pumping will far outweigh the costs of installing this pump.

Awaiting any further instructions from you.

We have the honour to be,
Your obedient servants,
BURNETT & MCGUGAN.

Per D. J. McGUGAN.

The property to be benefited by the proposed drainage is comprised within an area described as follows: Commencing at a point on the northerly shore of Boundary Bay where the section line between Sections 29 and 30, Township 3, west of the Coast meridian, intersects the said shore line; thence running north to the north-west corner of Section 32 in said Township 3; thence east to the north-west corner of the North-east Quarter of the said Section 32, Township 3; thence north between the East and West Halves of Sections 5 and 8 in Township 4, west of the Coast meridian, to the north-west corner of the North-east Quarter of the said Section 8, Township 4; thence east to the south-east corner of Section 16 in said Township 4; thence north to the north-east corner of the South-east Quarter of said Section 16, Township 4; thence east between the North and South Halves of Section 15 in said Township 4 to the north-east corner of the South-east Quarter of the said Section 14, Township 4; thence south eighty (80) rods, more or less, along the section-line between Sections 15 and 14 in said Township 4 to a point half-way between the north-east corner and the south-east corner of the South-east Quarter of said Section 15, Township 4; thence east parallel to the northern boundary of Section 11 in said Township 4 one hundred (100) rods; thence south eighty (80) rods, more or less, parallel to the easterly boundary of said Section 15 to the section-line between Sections 11 and 14 in said Township 4; thence east to the north-east corner of the North-west Quarter of Section 11 in said Township 4; thence along the line dividing the East and West Halves of said Section 11, south sixty (60) rods; thence east and parallel to the north boundary of said Section 11 to the section-line between Sections 11 and 12 in said Township 4; thence south along the said section-line to the southerly boundary of the right-of-way of the Vancouver, Victoria & Eastern Railway and Navigation Company; thence south-eastwardly along the said southerly boundary to an intersection with the centre line of the Ladner Trunk Road; thence south-westwardly and following the said centre line to the centre line of the Oliver Road; thence south and following the said centre line to the average high-water mark on Boundary Bay; thence south-westwardly and following the said average high-water mark to the point of commencement; all as shown outlined with red colour on the plan hereunto annexed.

The estimated cost of the installation of the new pump and of the removal of the pump from Mitchell's and its installation over the concrete flood-box in East Delta is as follows:—
